ROLLINS COLLEGE GLEE CLUBS ARE AT HEIGHT OF MOST SUCCESSFUL SEASON IN YEARS; MAKE BIG HIT

The Rollins College Glee Clubs are in the midst of their most successful season in years. The clubs, having gotten an earlier start this year than in previous years, were able to schedule many trips, including Daytona, Mt. Dora, St. Petersburg and Tampa, to say nothing of numerous concerts in the vicinity of the college, which included the Seminole, Alabama and Virginia Inn Hotels in Winter Park and the Hotel Wyoming in Orlando. The first home concert was given in the Congregational Church, for the benefit of the organ fund.

Much credit for the success of the season is due to Miss Edna Wallace, the director of the Men's Club. Miss Wallace also sings with the Girls' Club and plays the flute in the Rollins Trio. Prof. C. L. Jaynes, director of the Rollins School of Music and Fine Arts, directs the Girls' Club and the Male Quartette. May More, the accompanist for the Men's Club and manager of the club, is in a great degree responsible for the excellent schedule of trips which the clubs have taken. The clubs are to broadcast a concert from Rollins College station, WDBO, some time in the near future.

Following are a few accounts of some of the more recent concerts:

Men's Glee Club.

The Men's Glee Club gave a recital at the Congregational Church on Friday evening of last week. They were assisted by the Girls' Club, Miss Ruth Amy and the Rollins Trio. This was the first recital this year given by the men in Winter Park, and was exceedingly good. The appreciation of the audience was shown by a liberal contribution which

SWIMMING TEAM MEETS DEEEAT AT ROMAN POOLS

Rollins swimming team met its first defeat of the year last week in Miami when our swimmers were nosed out of several first places by the Roman Pools men at Miami Beach Casino. Every event was closely contested, and it seemed as if Old Man Hard Luck was rooting for Rollins. Boardman lost the plunge for distance by two feet, while Hilliard was nosed out of the 50-yard dash by inches.

Unusually fast time was made in all the races. The events and times were: 50-yard dash, Deshong, Miami, time 24 2-5 seconds; Hiliiard second, time 25 seconds; 100-yard dash, Henderson, Miami, time 56 seconds; Hilliard second, time 58 seconds; plunge for distance, Deschong, Miami, distance 60 feet;

BOTH TENNIS TOURNEYS TO FINISH NEXT WEEK

During the past week the first rounds of the girls' tennis tournament were played off. Alarm clocks were in constant use at Cloverleaf to awake the contestants for early morning playing. The Freshmen won three out of four of the contests. The finish of the singles will be on Saturday and doubles will be played next week.

In the singles the score is as follows: 6—2, 4—6, 6—2; Gladys Wilkinson defeated Hilda Perez, 6—2, 6—1; Florence

INTERSCHOLASTIC WATER MEET IS SET FOR MAY 2 BY COMMITTEE; A FEW CHANGES MADE IN PROGRAM

The committee in charge of the State interscholastic swimming championships, which are to be held on the Rollins course Saturday, May 2, had a lengthy session here Saturday, planning for what promises to be the greatest aquatic contest ever held in the South, when Florida's mermaids and mermisters compete this year. Last year's meet was declared to be the most successful in the history of the college, and it is thought that this year's will be greater.

An important question at the session was that of holding preliminaries of the year as many as eighteen contestants championships on Friday, May 1. Last year as many as eighteen contestants started in a single race, and many have advised that preliminaries be held to reduce that number and to give each entry a fairer chance to win. In addition to this matter there is the question of a larger entry list this year which will

"Unassuming yet mighty, sharp and pointed, well-rounded yet many-sided, assiduously tenacious, yet as gritty and energetic as its name implies, victorious in single combat and therefore without a peer, wonderfully attractive and extensive in circulation; all these will be found upon investigation to be among the extraordinary qualities of The Sandspur."

Harvard is to have its Callahan in football.

If Arthur Callahan makes the Crimson varsity, the Callahans of Lawrence, Mass., will have the unique distinction of being the only family in America to be represented on the "Big Three" of football.

Tim Callahan was the first to gain football fame as captain of the Yale varsity. He was twice so honored.

Mike became a gridiron hero at Princeton. He was also elected captain Mike against Captain Tim when Yale and Princeton met.

The latest Callahan to make a bid for football fame is Arthur, husky 200-pounder, trying for a position in the Crimson line.—Ex.

According to one of our exchanges, if students marry at Baylor, the couple must spend a year's honeymoon outside the college.

At Wellesley they manage these things somewhat differently. The college gives a course in love and marriage; and the lovelorn and broken-hearted Wellesley student receives first aid on the campus.

Greek philologists will have new letters of the alphabet to worry about, but students will not be deterred from taking up Greek once they manage to roll the new letters on their tongue. In fact from now on, the enrollment in the Greek language course should be larger than ever, judging from the good time the students at the University of Kansas are having. The Dambda Phi Data and the Dambda Phi Care and the Dambda Phis are three chapters that have banded together to prove that you can be happy though a Greek scholar.

Clean hands and clean faces constitute a free admission ticket to any home game played by the Rutgers University football team; that is, if the owner is under 15 and wears short pants. The Rutgers Athletic Association has a special stand for the younger boys who can qualify, and several times during each game, varsity cheer leaders go over to lead the youngsters in the Rutgers cheers. The college feels that it is making friends for future years. Even for the big games this privilege is maintained.

Blood Pays His Way

Adolph Eckstein, center on the Brown football team, is working his way through college partly by selling blood for transfusion purposes at fifty dollars a pint. He sold six pints last year and had sold two this fall, when the coaches found it out, and persuaded him to discontinue it until the end of the football season.

Women have been barred from the regular cheering section at Cornell University. The reasons given for this movement are that feminine voices do not contribute to the volume desired and they detract from the masculinity desired from cheering sections.

Highest "Who's Who" Average

According to figures recently compiled Amherst has a larger percentage of its graduates in "Who's Who in America" than any other institution. She has 869 out of 10,000. Wesleyan is second with 698. Yale is seventh, Cornell is tenth, Princeton is eleventh, and Columbia is sixteenth in the list. Amherst has produced thirty-two college presidents.

In Spokane the law permits the sale of fruit on Sunday, while prohibiting the sale of vegetables. The arrest of a dealer charged with selling tomatoes on the Sabbath left the prosecutor in a quandary, since the dictionary defines the tomato as both a fruit and vegetable.

The Reveille, from the Louisiana State University, announces the names of some of the girls' volleyball teams. Among the names are "Red Hot Mamas," "Green Devils," "Hot Shots," "Knockouts" and "Rolled Socks."

Sixty-eight students, including 26 men and 42 women, were elected to membership in the Phi Beta Kappa, national scholarship fraternity, at the University of California this term.

More than 68 per cent of those who graduated from the engineering college at Ohio State University last year were placed in their field by the college.

"HEALTH HINTS AND RULES"

1. Let the alarm clock ring for fully five minutes, then throw your pillow at it.

2. Yawn three times . . . than yawn again.

3. Open all windows, both of them as high as they will go.

4. Pull the "window-blind down slightly, let go suddenly; if it goes all the way to the top leave it there."

5. Repeat, using other window blind.

6. Now shiver.

7. Drape your pajamas gracefully across the most convenient chairback; if none is convenient, place them carefully on the floor—never hang them up.

8. Now stand in the middle of the floor, take a deep breath and shiver; try to do this realistically.

9. Turn the hot (?) water on in the lavatory, and immediately pour a small portion of tooth paste into the lavatory; be sure the paste washes down the drain pipe. Next wet the tooth-brush and replace it.

10. Wet your shaving brush; in so doing try to throw as much water as possible on your room-mate, who is asleep . . . maybe.

11. Take the razor gently in the left hand and still holding it, scrape the top of the lavatory, then put the razor away without cleaning.

12. Smear large quantities of your room-mate's face powder on your face —this eliminates the trouble of shaving.

LUNCHEON.

On Monday afternoon, March 16th, the Reception Committee of the Phi Alpha Fraternity gave a delightful luncheon at the Whistling Kettle Tea Room in honor of Mrs. Burke, one of the generous benefactors of that organization.

Many friends of Mrs. Burke and also of the fraternity were present, among whom were Mr. and Mrs. Clinton Scollard, who had each composed a poem, both of which were admirably suited to the occasion.

SIGMA PHI'S ENTERTAIN NEW MEMBERS.

On Sunday night the Sigma Phi Sorority gave a delightful supper at the Green Parrot Tea Room in honor of the new members.

The tables were placed in the form of a T, and were beautifully decorated with flowers and ferns.

One of the enjoyable features of the evening was the reading of some personal writings by Grace Jaquith, who has never been suspected of half the things she told on herself.

Sigma Phi is glad to announce as new members the following girls: Barbara Sheffield, Catskill, N. Y.; Isabel Green, Winter Park, Fla.; Violet Sutherland, Daytona, Fla.; Grace Jaquith, Windermere, Fla.; Louise Holland, Bartow, Fla.; Gladys Wilkinson, New Smyrna, Fla.; Frances Howard, Orlando, Fla.

PERSONALS.

Mrs. J. C. Foster, of Lake City, S. C., spent the week-end with Charlotte.

Fay Hall returned from the Y. W. C. A. conference, held at Lakeland, Sunday night.

Florence and Freda have started the marble craze in Cloverleaf.

We are all wondering why Edithe and Lucille were so happy Sunday evening?

Freda and Edithe showed their ability in playing bridge Saturday evening.

Some of the girls helped Gladys Wilkinson celebrate her eighteenth birthday Sunday night. Delicious eats were enjoyed by all. Those participating in the spread were: Gladys Wilkinson, Florence McKay, Freda Kuebler, Althea Miller, Margaret Johnson, Williard Hosack, Louise Holland, Louise Ferguson, Carolyn Mitchell, Edithe Draa and Lucille Pipkorn.

Life insurance policies on the Rollins campus are cheaper since two Fords have departed from Chase Hall.

With all the stringent military rules at Chase Hall, the boys are expected to appear in uniforms shortly.

It is rumored that Chase Hall boys will soon appear in skirts and that Papa Jaynes will take to wearing aprons. Reason: The children must have some apron strings tied to them.

It has been reported that Alvin has been campused for coming in after light flash.

Due to the fact that I have lost my date book, will all the girls having dates with me next week respond to P. O. 699? Ham McDonald.

We have a budding song-writer on the campus, who is rapidly springing into fame. During the past week he has written three songs. We wonder who his inspiration is. Dave, you're keeping something from us.

Violet, Billie, Eleanor and Dickie led a millionaire's life while at Babson Park. The great difficulty was that the millionaire had only one son.

The Girls' Glee Club did not sing as well as usual at Mt. Dora, owing to the fact that five of the members had dinner at the Dickson's.

Dave Gilbert wishes to announce his ?th birthday on the 29th of March. Your presents are requested.

Billie refuses to take upon herself another roommate, this being the third one that she has lost during her Rollins career. Somebody's wrong, not she.

A terrible accident occurred in Dr. Hotard's office when Betty Dickinson was shot in the arm.

Tell us, Phil and Fleet, aren't hard-boiled looking! They were held up by the police as bootleggers, and we know it couldn't have been Paul or Calhoun's angelic face.

Theta Chapter of Phi Beta fraternity is pleased to announce as new members: Florence McKay, Mrs. Mabel Boone, Mae Blair, Eleanor Pressey, Grace Jaquith, Laura Randall, Ellen Lersch, Frances Vallette, Katherine Humphreys, Katherine Lewis, Sally Ange. "Yes. They are on the outs when they are off the inns."

—Carnegie Puppet.

"Sap seems to get a great deal of pleasure out of his math. class."

"Yeah; out of it."

—Kentucky Cardinal.

Dowager (to singer): Your songs took me back to my girlhood!

Singer: Yes, my voice carries a good ways.

—Florida Swamp Angel.

"Sure is matchless misery."

"What?"

"Having a cigar and nothing to light it with."

She—My brother doesn't smoke, swear or drink.

DOWN TOWN

SATURDAY NIGHT AT CLOVERLEAF.

It was a clear, bright, moonlight night,
A perfect night to serenade.
Two girls were feeling amorous,
They gazed upon the moon so big,
And felt inspired to sing a song
Below the window of some girl
Who might be tricked by clever ruse,
And so they stood below her room
And sang the sweetest melody,
(It might have been if sung by girls
Who did not try to play the man.)
Between the base and alto notes
They sang the air of "Mother Machree."
The music ceased, a man's voice spoke,
"I'm Romeo," she said so sweet,
"Fair maid send down a kiss to me,"
For just a while no sound was heard.
The "hero" listened for her voice,
When splash came water from above
And drowned the romance of those girls.

"This fella Omar should have worn a medal."

"Howzat?"

"He was a bottle-scarred veteran."

Our idea of a smart guy is the gent who was calling on his girl the other night, and who, when she called him a fool, came right back with the retort: "Well, my dear, I may be a fool, but you're sure a fooler."

—Colorado Dodo.

The trouble with most college students is that they study—but they don't use textbooks. Experience is a great school.

—Boston Beanpot.

Shero: What are you cussing about, now?

Hero: A co-ed just gave me the air and I'm fitting some words to it for a Hymn of Hate.

—Northwestern Purple Parrot.

He: Say, kid, would you like to see something swell?

She: Oh, yes.

He: You just drop these beans in water and watch them.

—Carnegie Puppet.

WOOD-RUSSELL RECITAL.

Tuesday evening Mme. Florence Wood-Russell, soprano, assisted by her brother, Franklin Lombard Wood, baritone, gave a song recital at the Woman's Club. The purpose of the program was to establish with the funds raised a prize for the best voice-pupil in the conservatory. The program was well selected and appreciated by the audience. Several changes in songs by Mrs. Russell to less classical pieces were the result of Dr. Spoeth's suggestions in his lecture on "Common Sense in Music." Mr. Wood possesses a rich, well-controlled baritone, and a pleasing personality. These qualities, together with a modest selection of songs, made the program delightful. The program:

Mme. Florence Wood-Russell, mezzo-soprano.
Mr. Franklin Lumbard Wood, baritone.
Hazel Coffin Lenfest, accompanist.

GARDEN PARTY.

Miss Edna Wallace assisted Miss Katherine Tift-Jones at a garden party held at the "Anchorage" last Wednesday afternoon. This party was given under the auspices of the Woman's Club and was quite a success. Miss Jones gave a number of Southern selections and dialogues, also some miscellaneous numbers. Miss Wallace assisted with flute obligatos and rendered a very entertaining program.

Dear Mr. Brown,

Yours sincerely,

SILENCE ! !

Kay: Pola Negri is Russian, isn't she?

Mac: I guess so—those movie stars are all pretty fast.

—West Point Pointer.

1st Stag: I wonder what Ted sees about that girl to be so jealous of her.

2d Stag: Probably the other boys.

—Princeton Tiger.

Two kinds of boys come to college: those who tack up naughty pictures and those whose folks come over week-ends.

—Carolina Buccaneer.

Doctor—May I kiss you?

Nurse—Certainly not. I hate to have a doctor's bill thrust in my face.

Judge—Guilty or not guilty?

Ingratiating One—Far be it from me to influence the court. It would not be seemly to dictate to yer Honor."

An optimist is a man who thinks his bald spot makes him look distinguished.

A certain Englishman, while traveling in America, developed a taste for Lucky Strike cigarettes. Wishing to purchase some one day he could not think of the name. After much deep thought upon the matter he suddenly exclaimed: "Ah! My hearty lad, give me a pack of Fortunate Blows."—The Bull Dog.

"Is he a nice boy?"

"No; I think you'll like him."

Dean Sprague: "Give your idea of wealth."

Abbot: "Fifty dollars."

ROLLINS COLLEGE GLEE CLUBS ARE AT HEIGHT OF MOST SUCCESSFUL SEASON IN YEARS; MAKE BIG HIT.

will go toward the organ fund in the Congregational Church.

The glee clubs were invited to sing again at the Seminole Hotel last Wednesday evening, and were enjoyed just as much on their return visit as the first time. Although the songs and programs were similar, it was greatly approved of by the guests of the hotel.

Glee Clubs at Mt. Dora.

Last Tuesday evening the two glee clubs of Rollins College gave a recital in Mt. Dora at the Yacht Club. A very entertaining and charming program was given and greatly appreciated by the audience. Miss Marian Mulligan was encored several times. Her first selections were musical numbers, which were liked very much. Miss Ruth Amy was also quite a success and received much praise. The quartette was unable to give their numbers on account of the absence of Philip Reese, the second tenor, but the gap in the program was gracefully filled so that no break was noticeable.

The Trio also scored quite a hit, and was encored. This trio is composed of Miss Edna Wallace, flutist; Miss Dorothy Cole, violinist, and Miss Virginia Richardson, pianist.

On the whole the program was one of the best this year, and the people of Mt. Dora were very appreciative.

necessitate the holding of preliminaries. The starting dock now measures more than 100 feet in length, and it was deemed unwise to add to this in order to better care for additional entries.

Ray Greene, A. A. U. commissioner and secretary of the new Florida Association of the A. A. U. of the United States, will again direct the championships this year. Information concerning the contest will be furnished upon request, and all communications should be addressed to him in Winter Park.

Events for the two programs this year will be the same as those of the past, with the exception that the twenty-five yard swim for girls will be omitted and the 150-yard swim will be substituted. The events will be as follows: For boys, 50-yard dash, 200 yards, free style; plunge for distance; 100-yard dash; 100-yard breast stroke; fancy diving; 75-yard dash; 440-yard relay, four boys, 110 yards each; 440-yard free sttyle; 100-yard back stroke; for girls, 150-yard free style; 50-yard breast stroke; plunge for distance; 50-yard dash; 220-yard free style; 50-yard back stroke; 100-yard dash; fancy diving; 75-yard dash and 440-yard relay, four girls, 110 yards each.

SWIMMING TEAM MEETS DEFEAT AT ROMAN POOLS

(Continued from page 1)

Boardman second, distance 58 feet; 50-yard back stroke, Deschong, Miami, time 36 seconds; Bostwick second, time 38 seconds. The 220-yard free style was won by Henderson of Miami.

"We've had some fine trips before," said Fleetwood Peeples, coach, "but this trip was simply great. We were entertained, given the best room in the Casino, and everything was thrown open for us to enjoy. At the finish of the 50-yard dash it seemed as if both men grabbed for the finish line at the same time, but the Miami entrant's arm was longer. The plunge for distance was lost by two feet and the 100-yard dash by about the same length. The relay team, composed of Callhoun, Bostwick and Hilliard, also lost by inches.

"However, our defeat benefited us in at least one way: We learned many of our faults, and received much valuable instruction from one of the South's most capable swimming instructors. We can hardly expect to win every time, especially since we have had practically to build anew a swimming team here at Rollins. The success of this year's team should do much toward reviving interest in swimming. Rollins should turn out one of the best swimming teams in the entire South, and we're on the road this year to the creation of real interest here at Rollins in swimming."

Coach Peeples requests that all men who are interested in swimming come out and try to make the team. He is working at present to get the team in shape to swim at Indialantic March 28, where the Rollins swimmers hope to again bring victory to their old alma mater.
